NSDI Strategy and Transposition of the INSPIRE Directive into Macedonian national legislation
So far the NSDI was only mentioned in few articles in the Real Estate Cadastre law. Having in mind the great importance and the value of having the NSDI according to highest European standards, AREC’s top management recognized such a need and started building a Strategy for NSDI and as a part of the Strategy a completely new NSDI law.
NSDI Strategy

In the process of building the strategy activities are taken on two levels:

I. AREC working group
II. Inter-ministerial working group
Activities taken so far:

- Analysis of European and National Policy and the impact and implications for the NSDI;
- Strategic mission and vision for NSDI defined;
- Objectives of the NSDI defined;
- Guiding principles defined;
- List of key stakeholders defined;
The involvement of the key stakeholders will be in two phases:

I. Inter – ministerial + Academic community;
II. Private sector + citizen.
Activities taken so far:

- Business Requirements defined;
- Business Model defined;
- Funding Model defined;
- Partnering Model defined;
- Cost – Benefit analysis;
NSDI Legislation

The NSDI legal working group has made great progress in transposing the INSPIRE directive into Macedonian legislation. So far we have accomplished to make:

- New draft law on NSDI
- Regulations arising from the NSDI law
- Draft changes of other laws requested by INSPIRE
